

INTERNATIONAL FORWARDING

SEATRANSPORT SRL is a forwarding and logistics company with top skilled staff to give our clients best custom-tailored services about goods forwarding, import and export, to and from Italy, along with logistic and distribution.

INTERNATIONAL FORWARDING

SEATRANSPORT SRL headquarter is in Livorno (a.k.a. Leghorn) where most of company traffics are flowing. A network of selected and reliable agents allows our company to manage traffics in all main italian ports.

INTERNATIONAL FORWARDING

Wide YARDS AND WAREHOUSES in our main site in Livorno are available to our customers to supply several logistic and intermodal services. Those yards and warehouses have been certified to be compliant to AUTHORIZED ECONOMIC OPERATOR FULL (AEOF) standards by the EC customs.

INTERNATIONAL FORWARDING

CUSTOM BONDED WAREHOUSE allows to stock goods as if they still were outside E.U. Storing time is unlimited by law making this tool perfect for goods distribution.

FISCAL/V.A.T. DEPOSIT is an opportunity to importers who cares about their fiscal cash flow.

ELECTRONIC MANAGEMENT of goods and barcodes allows our clients to control goods stock and movements within our warehouse.

INTERNATIONAL FORWARDING

FORK-LIFTS with several payloads move our clients goods and containers.

SPECIAL EQUIPMENTS are available as fork-lift clamps, a mobile ramp for wheeled vehicles loading, pallets wrapping machines, pallet heat shrinking oven and a flexible conveyor to load break bulk cargo in tank trucks.

INTERNATIONAL FORWARDING

SIMPLIFIED EDI CUSTOMS PROCEDURES allows our dedicated staff to quickly perform customs declarations within our offices, making custom clearing process quick and smooth also reducing to a minimum the risk of spreading documents to external offices.

INTERNATIONAL FORWARDING

SEATRANSPORT SRL can offer the following integrated services: forwarding, custom clearing, logistics and distribution services, goods and containers stocking, project cargo shipping assistance, containers stuffing and unstuffing, trucking and much more.
